HUMANE SOCIETY**

MEMBERSHIP SAVES LIVES

The Etowah Valley Humane Society invites you to become a member. Our funding comes predominantly from donations from individuals like you, so our success can only be achieved with your generous contributions.

By becoming a member, you become an integral part of caring for our pets while they wait for their forever homes. With your membership, you will receive a framed certificate of membership, a 10% discount on all EVHS merchandise (including our Pathway for Paws Celebration of Life bricks), and our monthly e-newsletter with shelter news, upcoming events and adoption updates. Most importantly, you will enjoy the warm feeling of knowing you have made a difference!

Please sign up today; we can't do it without you!
